

Night Ferry

House and disco from Montréal. Long sets in small rooms.

SHORT BIO

Night Ferry has played Montréal's late rooms for eight years, building sets that start slow and stay up till the lights come on. The Crossing mix series runs every month, and the Thursday studio stream has become a small, loyal crowd of its own.

BOOTH RIDER

Item	Details
Decks	Two turntables, two media players
Mixer	Four channels, with a send for an external effects unit
Monitors	Two booth monitors at head height, with their own level
